CONNECTICUT GENERAL ASSEMBLY

Favorable Report on Bill Concerning Accidents in Manufacturing Plants-Discharge of Mortgages-Lobster Bill Passed—Committee Reports.

Hartford, June 10.—The senate was called to order at 11.15 by President pro tem. Brooks. Prayer by Chaplain Sexton.

For G. A. R. and Spatnish War Veta-On the motion of Senator Ludding-ton, the senate passed, in concurrence, the bill to provide quarters in state armories for G. A. R. posts and Span-ish war veterans.

Connecticut Cavalry.

In the absence of Senator Blakesice, the chairman of the committee on the judiciary, who was in Norwich, with his colleagues of the committee, inspecting the hispital for the insane, the unfavorable report of the committee on the bill making an appropriation for a monument for the Connecticut cavairy was tabled cut cavalry was tabled.

Action Reconsidered.

On the motion of Senator Phillips the senate reconsidered its action in passing the bill in reference to the practice of medicine and midwifery, and on his motion the bill was tabled.

Reporting Accidents. The committee on labor reported favorably on the substitute bill confavorably on the substitute bill concerning the reporting of serious accidents in manufacturing or mercantile establishments. It provides that persons in charge of establishments shall report accidents within fifteen days to the factory inspector, who shall keep a record of the accidents, and of his investigations. The information obtained by the factory inspector shall be privileged and shall not be open for inspection. Any person, after having received from the factory inspector forms for such notices who shall fall to send notice of any accident, as required by this act, shall be fined not more than \$20. Calendar.

Summoning Jurors. Summoning Jurors.

On the motion of Senator Sears the unfavorable report of the judiciary committee on the drawing and sum-moning of jurors was tabled.

Nomination by the Governor. Executive Secretary Goodwin pre-sented a communication from Govern-er Weeks nominating George A. Cos-grove of Willington a member of the state board of agriculture. Executive nominations.

Calendar.

Calendar.

Passed — Raising a commission to inquire into the advisability of the state's assuming control of the Connecticut river farries and limiting the expense to \$500; fixing the salary of the deputy judge of the city court of Norwich at \$300 and the clerk at \$300; providing for precautions against fire in the use of moving picture machines and that the fees for the inspection of the enclosures in which they shall be given shall be paid by the owners; that the office of the clerks of courts may be closed during legal holidays, and from 1 o'clock on Saturdays; concerning hunters' licenses and providing that all licenses shall expire on January 1; following the date of issue; providing a penelty of a year in a county jail for breaking out of a city, town or borough lockup. Foot of Calendar—Concerning the use of buildings used as nickel theaters and moving pictures; concerning the ages of 7 and 16 years.

Discharge of Mortgages.

Discharge of Mortgages. Discharge of Mortgages.

The following bill was explained by Senator Searls and passed:

Section I. When the record title of real property is encumbered by any undischarged mortgage, and the mortgager or those owning his interest therein have been in undisturbed possession of such property for at least seventeen years after the expiration of the time limited in the mortgage for the full performance of the conditions thereof or when the promissory note, or other written evidence of the indebtedness secured by such mortgage is payable on demand, seventeen years

which such mortgaged property is altuated, setting forth the facts and claiming a judgment as hereinafter provided. Such petition shall be served upon all persons interested in said mortgage in the manner provided by law for process in civil actions, and in any action where the parties who may have an interest in said mortgaged premises and should be made parties thereto cannot be located by and are unknown to the petitioners in said action, said petitioner or his attorney shall annex to the petition in such action an affidavit stating that the petitioner does not know who such interested parties are or where they reside, or, if the party interested in said mortgaged premises is a corporation whose corporate existence has been legally terminated, and said petitioner or his attorney shall state such fact in his affidavit, the court to which such action shall be brought, or any judge thereof in vacation, may make such order relative to the notice which shall be given in such cause as shall be by such court or judge deemed reasonable; and such notice having been given according to the order and duly proven, the court may proceed to a hearing of the cause at the first term or session or afterwards, as it shall deem proper, and if no evidence is offered of any payment on account of the debt secured by said mortgage within said period of seventeen years, or of any other act within said period in recognition of its existence as a valid mortgage, the court may render a judgment reciting the facts and its findings in relation thereto, which judgment shall, within thirty days thereafter, be recorded in the land records in the town clerk's office of the town in which said mortgage shall thereafter be maintained.

Sec. 2. Chapter 107 of the public acts of 1907 is hereby repealed.

When Town Treasurers Are Incompetent. petent.

When Town Treasurers Are Incom-

Senator Searls offered a resolution providing that the selectmen of a town or a majority of them shall have the or a majority of them shall have the power to appoint a person to act as town treasurer during the incompetency of the treasurer. Senator Searls said it was necessary to pass the resolution at once in order to meet a condition which exists in New Milford, where the treasurer, owing to his physical condition, is unable to attend to his duties. The resolution was passed under suspension of rules and transmitted to the house. Adjournment.

The senate adjourned to Tuesday at 11.30.

THE HOUSE.

Representative Tingler of Vernon was the acting speaker, today, and called the house to order at 10.30. Prayer was offered by the chaplain.

Concerning Lobsters. "Mr. Speaker. I wish to take from the table the bill concerning lobsters," said Mr. Hall of Willington. "The gentleman from Willington is

"The gentleman from Willington is recognized," said the acting speaker. (Laughter.)
"I think I may congratulate myself for concealing my identity for so long a time," returned M. Hall. (More

laughter.)
Mr. Hall then proceeded to explain
the measure, which originated in the
senate. It applies to the taking of
lobsters, specifying their size, who
may take them, etc. An amendment
made by the senate was adopted, also
the bill as a whole, in concurrence, Committee Reports,

seventeen years after the expiration of the time limited in the mortgage for the full performance of the conditions thereof or when the promissory note, or other written evidence of the indebtedness secured by such mortgage is payable on demand, seventeen years after the date of said promissory note or other written evidence of indebtedness, the mortgagor or the person or corporation owning his interest in said property may bring a petition to the superior court within the county in Public Health and Safety-Unfav-

PERSONS TALKED ABOUT

Prof. Hacckel, the noted German, has been charged with scientific fraud recently, in consection with his work for the cause of evolution. Prof. Hacckel fills the chair of zoology at the University of Jena. He has traveled extensively.

President J. G. Schurman of Cornell university will leave for Europe on June 15, to attend the Darwin celebration at the University of Cambridge and the celebration of the 156th anniversary of the University of Geneva, and the 500th anniversary of the University of Lenvis versity of Leipzig.

Mrs. Mary Stockton Schoonmaker, whose father, the late Rev. Dr. Joseph Stockton, was the first Presbyterian clergyman west of the Alleghanies, died in Plainfield, N. J., in her Jist year. She was the widow of James Schoonmaker of Plitsburg, and at the recent centennial celebration in that city was the guest of honor as the oldest native-born resident.

Dr Elizabeth Blackwell, probabily the first woman to be graduated as a physician in this country, now is 85 years old and is living in quiet retirement in Hastings, England. She was received as a student in the William Smith college, now affiliated with Hobart college, Geneva, N. Y., after a dozen medical schools had refused to admit her. She received her medical degree in 1849.

Eugene Henard, who attained fame with his palace of illusions at the Paris exposition in 1900, has just completed a similar but larger piece of accountie architecture for exhibition in that city. The impression made upon the person who enters the mirror-walled space is that there are 64,000 electric lamps burning. The hall is hexagonal in shape, and standing in its center one sees six halls of equal size, and beyond these 12 more, and then 18, and so on.

Mrs. G. Howland Shaw was elected Mrs. G. Howland Shaw was elected president of the Massachlsetts association opposed to the further extension of suffrage to women at its annual meeting, which was recently held in Boston. The vice presidents elected were Mrs. J. Randolph Coolidge, Miss Anna L. Dawes, Mrs. Charles Elliot Guild, Mrs. Charles D. Homans, Miss Agnes Irwin and Mrs. Henry W. Whitney.

Preciate how much better they would look in something else.

"Those same women would look not only well, but some of them positively radiant, if only they were properly dressed.

"Just put them in a costume of blue or a soft rose pink, for instance, and see the difference.

"Why, I believe they would hardly know themselves."

The town of Hadley, Mass., birthplace of Gen. "Joe" Hooker, will celebrate the 256th anniversary of its settlement from August 1 to August 4, and the Hooker association of Massachusetts will take a prominent part in the four days' programme. One of the features will be a historic pageant on the last day, in which the Hooker association will have a representation of "Hooker and His Men."

or continued their studies at Aintab seminary.

Miss Charlotte Church, who is teaching in a new schoolhouse on the Neca-nicum, is living in a cabin about a mile from her school, having no near neighbors but wild animals. Mrs. Millicent Garrett Fawcett is

Ars. Millicent Garrett Faweett is the only woman who has ever been asked to address the University De-bating society at Oxfird. At the re-quest of the students she took Wom-an Suffrage as her subject.

Prof. Kirsopp Lake, who holds the chair of New Testament exeges in the University of Leyden, has completed the work of photographing the "Codex Sinaiticus," one of the three oldest New Testament manuscripts. The bishop of Durham, England, la-ments the fact that a "very formid-able degry of English Christian life in the neglect and isolation of the Lord's day" has set in, and blames "the per-nicious custom of the week-end."

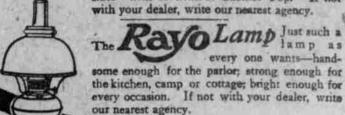

Gov. John F. Shafroth of Colorado has accepted membership on the national committee having in charge the proposed change in the date for inauguration of the president, making 46 governors of states and territories who have joined the movement.
